

Rescheduled 2017 ECC Conference

Due to the devastating effects of Hurricane Harvey, the 2017 ECC PerspECctive Conference will be postponed until December 12-15, 2017. Our primary concern and that of our leadership is for the safety and security of those in our community who have been affected by this devastating storm. At this time, we must shift focus to supporting those in need during this tragic event.

Please understand that the majority of ECC board and administration are Houston-based and many are personally affected...virtually all are professionally affected. We are working as quickly as we can to work through all of the details and will continue to share information as soon as possible.

We ask for your patience and understanding as we work through this,

Rachel Jackson, BHP Billiton, 2017 ECC Chair

Jack Hartung, Chevron, 2017 ECC Vice Chair

Why has the conference been rescheduled?

Hurricane Harvey devastated the Gulf Coast a week prior to the conference and continues to cause unprecedented damage today. With more than half of our attendees, speakers, leadership and staff affected, it became not only impossible but impractical and insensitive to hold the conference while this catastrophe is still occurring. The people of the ECC Community are the first priority and there was no other possible decision. We greatly appreciate your support and understanding in this process and in the decisions and policies we've put in place.

What are the new conference dates?

YES! Please cancel hotel following the link in HOTEL confirmation email that came from the Boca Raton Resort...you would have received this from the hotel when you booked your hotel. If you need to call instead, please use the 24-hour reservations line (888) 543-1277. We are not doing a blanket cancellation of the entire ECC block as some have indicated they'd like to keep their reservations. You will not be charged a cancellation fee, but PLEASE do cancel.

Will the content change?

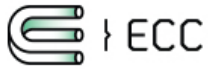

We are doing all we can to maintain the same content including the keynotes and featured speakers. We have asked for all speakers' availability and will rebook all who are available in December. Where speakers are not available, we will replace sessions with comparable speakers.

If I was registered for the original conference, do I need to register again?

No, you do not need to register online again. Your original registration will be transferred to the December Conference.

Will refunds be offered?

Registration refunds will not be offered but attendees registration will be transferred to the new dates of December 12-15. If attendees are unable to attend, they may transfer their registration to a colleague
