How Will Contractors Respond to the Winds of Change?**

Bio

Steve Dedman is senior vice president, Enterprise Strategic Development for Zachry. His primary responsibilities include corporate strategy and growth of the Zachry core business units, including engineering, construction and industrial services. He is additionally responsible for business development oversight and senior-level client management in the process and emerging energy industries.

Steve's career began at Brown & Root where he was employed for more than 20 years, progressing from cost engineer to vice president, construction services. Since joining Zachry in 1996, he has held several management positions, including vice president and general manager of the Industrial Process Division.

Steve holds a Bachelor of Business Administration degree from Texas A&M University and attended the Advanced Management Institute at Rice University and the Executive Program at the University of Michigan Business School. He and his wife, Antoinette, have two children. Steve enjoys ranching, woodworking and golf.
