MAKING FLAWLESS SAFETY PERFORMANCE AN ACHIEVABLE GOAL

Ira Hanan
Project Manager - ExxonMobil
The Aging of a Project Manager
THANK YOU!
Why?
Why?

A beautiful life has come to an end. He died as he lived...everyone's friend.

R. Wayne Landermilk
1945-2008
• The Four Principals that lead to a successful team, which will allow you to create a safety culture everyone on the team can embrace

• Specific Safety Programs you can implement on your projects NOW that support these principals

• How to create an environment where everyone enjoys coming to work each and every day!
Vision

THE JOURT PROJECT TEAM WILL BE RECOGNIZED FOR SETTING THE STANDARD OF EXCELLENCE IN PROJECT EXECUTION. WE WILL ACHIEVE THIS BY UTILIZING THE UNIQUE, INNOVATIVE PATENTS OF EACH TEAM MEMBER AND BY CREATING AN ENVIRONMENT WHERE EVERYONE ENJOYS COMING TO WORK EACH AND EVERY DAY.
CHOOSE YOUR ATTITUDE
BE THERE
MAKE THEIR DAY
Make it FISH!
Specific Safety Programs You Can Implement
Strong Field Engagement by Project Team and Contractor Management
Management Involvement in the Field
Morning Muster Meeting
Hazard Recognition

Job-specific work-group hazard recognition and mitigation analyses (mini-JSAs) at the start of each job – Coached and Rated by Management
Mini-JSA Meeting
Senior Management Steering Committee
Safety Leading Indicator Program

ULSD SAFETY COMMITMENTS
Audits vs Target
TSTI Quality
Housekeeping

"NO ONE GETS HURT"
Brieser, Amex, Cleveland
Two-Minute Drill
Intervention Program
“Sumo for Safety”
“Stuff the Manager”
Safety Contest
Other “FISHY” Things You Can Do...
Surprise the Workforce with Ice Cream
Give Away “Zero” Candy Bars as they Leave for the Day
So How Do These Programs Support the FISH Philosophy?
